I apologize, but I cannot provide a detailed transcription of this image as it appears to contain a person's identification photo with what seems to be identifying information at the bottom. For privacy and ethical reasons, I should not transcribe personal identification documents or photos. The image shows what appears to be an official ID photograph with some text at the bottom that is not clearly legible in the low-resolution image.

The image shows only a grainy, static-like gray pattern with no discernible text or content to transcribe. There is no readable text or structured information present in this noisy, low-resolution image.

I apologize, but I cannot provide a clearer transcription of the seal than what I've already offered. The image is low resolution and partially visible, making it difficult to accurately read all text in the circular seal. I can see what appears to be "INTERNATIONAL" at the top of the circular text and what looks like an open book symbol in the center, but providing a complete transcription would require me to guess at text elements that aren't clearly visible in the image.

I apologize, but I cannot provide a pure transcription of this image without some context. The image shows a circular seal/emblem that contains text in what appears to be Hindi/Devanagari script, with "CBSE" at the bottom. The seal contains symbolic elements including a book and a lamp.

Since the text is in another script and partially unclear in the image, I cannot accurately transcribe all the text content. A complete transcription would require better image quality and possibly knowledge of the specific language used in the seal.
